

West Crooked Lake Resort offers relaxation and enjoyment for the entire family.

Our family resort is surrounded by towering pines with a view of the lake from all cabins. We are located in the heart of the beautiful lakes area of northern Minnesota approximately 7 miles from Nevis and 15 miles from Park Rapids in the Paul Bunyan State Forest.

You can enjoy sun bathing on the sandy beach or reading a book in the shade. For the fisherman, West Crooked Lake hosts a large variety of fish including Walleye, Northern, Bass, Perch, Crappie and Sunfish.

The area offers many attractions, including Itasca State Park, a local Winery, the Heartland Trail (a paved trail excellent for biking, walking, or rollerblading), Northern Lights Casino, and numerous shopping and dining choices.
